

Khmer National Liberation Front

No...33/13..K.N.L.F

Statement

Khmer National Liberation Front completely rejects the false allegations of dictatorship Hun Sen on May 16, 2013, which accused Khmer National Liberation Front of creating armed force to topple the government.

Khmer National Liberation Front would like to give notice the Cambodians, National and International opinion to aware that Khmer National Liberation Front have officially established and located in Denmark to seek the justice for the Cambodian victims who have been killed by the communist Indochina since 1975 to the present. KNLF will fight for real peace, real freedom and democracy peacefully by using the International Law and Paris Peace Agreement October 23, 1991.

In fact, the Cambodian People's Party, Hun Sen, are the killers and terrorists who have been serving the politics of the Communist Party of Indochina; Vietnamese masterminds embedded their intelligence in Cambodia and killed Cambodians by terrorism such as causing traffic accidents, shooting, using poison, killing in the hospital, deforestation, force eviction and land grab etc. Especially Vietnam and Hun Sen are spying in Thailand to arrest the members of Khmer National Liberation Front under this charge.

Khmer National Liberation Front welcomes the members of CNRP, Mr. Sam Rainsy and Mr. Kem Sokha and other Khmer political movement to unite with Khmer National liberation Front to liberate Cambodians in time.
